FOREWORD...

Let's use songs for our theme. That's it—"The Hit Parade." So decided the staff of the 1949 "Purple and Gold."

Around school, we hear the students sing, whistle, or hum songs new and old that have become a part of our everyday lives. It is natural, then, that songs should be the basis of the theme this year. Our book will help establish in your memory songs especially connected with Waite High School.

DEDICATION...

The purpose of this dedication is to say thanks to a teacher who has done a great deal for our school in the educational and social fields. It is fitting to dedicate the 1949 "Purple and Gold" to a fine teacher and a great friend of all the students, a man who has been with Waite for twenty-three years, Mr. Jesse Steiner.

Prior to teaching social studies at Waite, Mr. Steiner taught for seven years in a one-room country school and three years at Bluffton High School. He graduated from Bluffton College with an A.B. degree and later received his Master's degree at Ohio State University. When Mr. Steiner first started teaching at Waite, he was athletic equipment manager for six years and later an advisor to the Pro and Con history club. His hobby interests include stamp collecting, fishing, and chess, the latter being his favorite.

Mr. Steiner will long be remembered in the hearts and minds of the many students that pass in and out of Waite High School. We are proud to dedicate this book to him.

He is the only one of the Waite faculty who is a member of Phi Delta Kappa, honorary educational fraternity.

"The Best Years of Our Lives"

"The Best Years of Our Lives" is a fit name to be given to the four years we have spent here. It was a hard climb, but we made it. May this position as Senior be an inspiration to all green Freshmen.

Some of the events that made this year of '49 stand out in our memories were the Senior Prom and Banquet at the Woman's Building on January 19, and the Senior Picnic. The two most impressive occasions were Baccalaureate and Commencement at the Paramount Theatre on June 9.

We wish to extend our appreciation to Miss Marion Hart for her undying patience and help with all Senior activities.

The Juniors filled their calendar with many interesting activities this year. Possibly the most anticipated event was the distribution of rings, which took place on February 18. It wasn't difficult to pick out the Juniors the next day because they were all showing off their new jewelry.

March 25 was the evening for the presentation of two one-act plays, "A Ghost of a Show" and "The Prettiest Girl In Town." A skating party in the spring was sponsored by the Juniors. The big social event of the year was the Junior Prom, June 8, at El Rancho, which served as a perfect climax to the year.

Miss Louise Nelson deserves many thanks for her unlimited patience and help as advisor for the Junior Class.

The Student Council started off their busy year by holding elections for Football Queen and planning a home-coming dance that was given Thanksgiving night in our school gym. A change was also made in the Scott-Waite mass meeting. Many former Waite players visited the school and gave pep talks at the meeting.

Their Christmas project consisted of selling Christmas greens and candy. Everyone enjoyed the Christmas program given in the auditorium, sponsored by the Council.

A new rest-room and hall patrol was started and a Jingle Contest was given in order to arouse the interest of the student body in keeping the school clean.

Other activities included an old clothes drive and a basketball mass meeting, given just before the Central-Waite game. A dance was held in the gym February 25. Ping-pong and other games were played at this dance.

The use of activity cards was started at the end of the year. These cards will enable the Council to keep an accurate report of the activities of every student for the time of his enrollment at Waite.

Mrs. Victoria Canfield, faculty advisor, was a very great help to John Nicholas, president, and the directors with their many projects.

Only those who achieved high scholastic records, contributed their service, developed a fine character and attained leadership are eligible to become members and wear the flaming torch and keystone of the National Honor Society.

Of the many speakers that they have had at their bi-monthly meetings are the following: Mrs. Packer, who talked about her trip to Mexico and showed slides she had taken; Mr. Williams, who talked about Parliamentary Procedure; Miss Steele of Locke Branch Library and Natalie Grosjean, who reviewed several books for us during Book Week.

To raise money toward a scholarship to present to a worthy senior, the National Honor Society sponsored a Teachers' Quiz with Mr. Lamb of WTDS as quizmaster on February 7.

Inductions were held November 8 and March 7, with Dr. Zaugg of Bowling Green University and Reverend Arthur Olson of First Unitarian Church as speakers.

The National Honor Society presented recognition cards on May 23 and June 2 to those who have contributed toward the requirements of a good student.

Miss Mildred Burns and Miss Gertrude Moore deserve much praise for their patience in advising the club.

The Periclean Literary Society meets every other Friday in room 127. Here the business meeting is called to order by president Goldie Bonis. After various necessary reports, old and new business is discussed. When this is completed, the meeting is then turned over to the censor, Judy Lane. The program includes two book reviews given by seniors and an extemporaneous talk given by a new member. The meeting is then adjourned and concluded with the singing of the Peri song.

This year has been a very active one for the Peris. In November they had a roast at Sidecut Park which was much fun. Also in November was the initiation held at Natalie Grosjean's

house. On December 10 the Pericleans entertained the Philalethean and Zetalethean Literary Societies with a Christmas Tea. This was very enjoyable. The second semester initiation was March 4 at Judy Lane's house. The new members got their revenge. In March the club sponsored an auditorium program which honored the members of the varsity basketball team and their mothers. April 8 brought the Tri-Lit, an opportunity no girl could miss. The Mothers' Tea was held in May. A Periclean banquet on May 25 concluded the girls' activities.

Worthy advisors are Miss Maxine Cosgray and Miss Norma Wintermantel. Miss Mildred Cowell was also an advisor during the first semester.

The Quill and Dagger Literary Society started the year off by having their annual initiation at Navarre Park shelter house. We wonder that the fellows remain friends after these initiations.

The Q. D.'s lost their traditional Q.D.-Forum football game by a score of 28-0. Revenge for this defeat was gained later in the year in the Q.D.-Forum basketball game which the Q.D.'s won 34-22. Intense rivalry always makes these games interesting, no matter what the score.

One of the high-lights of the year was the Massillon mass meeting sponsored by the Q.D.'s. The fellows always have fun putting on the show, even though they never win any prizes. Other activities of the year included a hayride, chaperoned by Mr. Arthur Mills and Mr. Claire Dunn. The group also sponsored a successful dance in the gym on March 4. Many of the fellows bought Q.D. pins this year.

We would like to thank Mr. Mills and Mr. Dunn for their help as advisors.

"Philaletheans, our Philaletheans"

The theme which the Philaletheans chose this year was something on modern literature and the Negro question in general. Some of the books reviewed at the meetings were "Joan of Arc" and "I Remember Mama" among the modern, and "Cry the Beloved Country" and "The Dove Flies South" representing the Negro question.

Spreads were held during the months of October and March and proved a very happy occasion both for the old and new members. The spreads were held at the homes of Susie Helman and Margaret Allison.

On September 16, the club sponsored the prize-winning mass meeting of which they are justly proud. At the close of football season, an assembly honoring the mothers of the varsity football boys was given by the club.

The sale of Waite stickers, license guards, Christmas cards, and stationery increased the treasury this year. From this money, the Phils donated books to the Waite Library during book week and contributed to the Red Cross.

The social activities have consisted of an April Fool's Day Dance, participation in the Tri-Lit Dance on April 8, a mothers' tea, and a formal banquet in June, at which time senior gifts and scholarships were presented.

Gratitude and appreciation is extended to the ever-helpful advisors, Mrs. Tom Hall, Miss Mary Roache, and Miss Marian Larkin, for their willingness to solve the problems, give counsel, and help us to have our happy time.

The Forum Literary Society meetings were held on every other Friday in Mr. Williams' room 108 where discussions were conducted and educational lectures were given by the members.

The Forum completed another successful year with their athletic rivals by defeating the Q.D.'s in the annual Q.D.-Forum football game by a score of 28 to 0. The boys on both teams played hard but the Q.D.'s were not able to score no matter how hard they tried. The Q.D.'s gained revenge on the basketball court by defeating the Forum by a score of 34 to 22.

The Forum gave a roast on April 2 at Sidecut Park where a good time was had by all. The initiations were held at Pearson Park in the spring and the fall of the past year.

"Loyal Zetaletheans,

"What is tops on the Hit Parade?" Or should we ask, "What are the topics for this year's book reports?" The Zetaletheans have made theirs "Happenings in Foreign Lands." "NO MORE THAN HUMAN," "THE ROBE," and "MRS. MIKE" are among the list of books reviewed by the senior girls.

A social-studded calendar has kept every member of the Zetalethean Literary Society busy this year. The most important events of the season included a dinner held at the home of Maurita Reid, in January, followed by a theatre party at the University's Doermann Theatre; a dance after a basketball game; in the spring a tea for the Mothers, which welcomed and acquainted them with the advisors and members of the society; and

That's the Lit I Love"

a banquet at which the senior girls received a bracelet, given to them by underclassmen.

Initiations are fun!!? . . . for members. Yes! while unsuspecting pledges go through that horrible feeding. The initiations and spreads were held at the homes of Elsie Schwarzkopf and Bonnie Phelps.

Another and perhaps the most important highlight of the Zets' busy year comes in the spring when the three Literary Societies give their annual formal dance, "The Tri-Lit," held at the El Rancho on April 8. This provided a fitting climax to an active and memorable year.

All of this has been done with the help of the invaluable advisors, Mrs. Delia Fortune, Counselor, Mrs. Mildred Osborne, Literary Advisor, and Miss Marion Hart, Social Advisor.

Producing the "Purple and Gold" is a very interesting job. There are many different things to be done before the Annual is completed. The work of the editorial staff includes planning layouts, choosing the theme and color of the book. There is always a great deal of discussion as to what color the Annual should be. Writing the sayings for the Seniors is another job that is very interesting. It isn't an easy task choosing the correct saying for each Senior. Keeping identifications correct, mounting the pictures, and completing write-ups are other jobs that keep the Staff busy.

Without the willing guidance of Miss Maxine Cosgray, the Annual would never achieve success.

The business staff takes orders for Annuals and also secures the advertisements. This work is done under the supervision of Mr. Claire Dunn.

The Art staff under the direction of Mrs. Dorothy Packer does the drawing of the division pages and other art work. Ervin Saul, art editor, was assisted by Dennis Rice who did the lettering for the division pages.

The Senior Hi-Y conducted quite a variety of activities this year. Among these were a Hallowe'en party, a splash party, a hayride, a dance, and a basketball tournament during the Christmas holidays. The programs of the regular meetings included talks by Andy Mulligan, Mercury hockey coach, and Coach Claire Dunn, a talk and a motion picture by Mr. and Mrs. Hiser, and a formal induction ceremony. Meetings and activities were carried on under the supervision of Mr. Leonard Hendrickson.

The fellows belonging to the Hi-Y identify themselves as members with their attractive sweaters and emblems. Operation of the club will be continued next year for students interested.

"Come On Along, Come On Along!"

Yes, that's the theme song of the Junior Y-Teen girls when they meet every other Wednesday in room 209. They all look forward to these get-togethers since the purpose of the Y-Teens is to build a fellowship between women and girls.

This young organization whistles while they work to help others. Some of the good deeds the Freshmen and Sophomores have done include these: sponsoring a pencil drive for the Italian Boys' Town; raising money to rebuild the Y in Manila; filling a Red Cross Box; selling Christmas cards for new Y.W.C.A.; and an Easter Party for the Lutheran Orphans' Home.

No matter how busy they are, the Junior Y-Teens always have time for social affairs. An all-girls roast November 22 was held at the Y.W.C.A. A Splash Party was given February 12 to raise money for budget income, especially for delegates to summer conferences. They ended their busy year with a banquet and installation of new officers.

Their advisers are Miss Alice Nauts and Mrs. Carrie Fischer.

"With a Song in My Heart"

The Senior Y-Teen is under the sponsorship of the Y.W.C.A. Its purpose is to promote friendship among high school girls. Any Junior or Senior girl is eligible for membership.

The girls meet every second and fourth Wednesday in room 229 where they hold a business meeting. After each business meeting they have either a social hour or a short program.

Among their many activities of the past year was a pot-luck held at the Y.W.C.A. on February 9. The Junior Y-Teens joined them in sponsoring two forum discussions at the Y.M.C.A. in February and March. They also joined them in presenting the Easter program held in the auditorium and the dance held in the gym in April.

This group of girls is under the guidance of their worthy faculty advisor, Miss Louise Nelson, and worthy Mother advisors, Mrs. Hazen Porter and Mrs. George Sawade.

Le Cercle Francais enjoyed a very busy year. Meetings were held every other Friday afternoon after school in room 235 A.

The scholarship fund was increased by collecting tax stamps and selling greeting cards. Social activities included a combination roast and initiation at Miss Cosgray's home in November.

Reports on French life and prominent French people were given at the meetings, and the members also played French games, sang French songs, and saw a French movie. Several of the group bought pins this year.

Miss Maxine Cosgray ably directed the officers and members of the organization.

"Bring Back Those Wonderful Days"

Tuesday and Thursday after school, the G.A.A. meets. Basketball, volleyball, baseball, and bowling are but a few of the sports in which these energetic girls participate to obtain points for awards. It is necessary to have 400 points for numerals, 900 points for "W", 1600 points for first chevron, 2500 for second chevron, and 3400 for distinctive senior.

The advisors are Miss Mary Linville and Miss Alice Nauts who supervise the games and athletic contests and advise the girls with the regular meetings.

Among the social events throughout the year was a dance in November, called the "Hayseed Stomp." After the season's activities were concluded, the group enjoyed a "Dance Recital" in June.

Many people have called Latin a "dead language"; however, the continued success and growth of our Latin club has proved this statement to be false.

The Optimates, under the supervision of Miss Fon Boerger, is composed of first, second, third, and fourth year students of Latin with a "C" average or better. The Optimates hold their meetings every other week on Friday night after school. During the meetings they entertain themselves by having members give educational talks and lectures.

One of the activities of the Optimates was the skating party which they held on March 14 at the Coliseum. They ended their year with the traditional picnic.

"The Man Who Paints the Rainbow in the Sky"

Although the advisorship of the Altobee Art Club changed hands this year, the group still entertained a very successful year. Mrs. Dorothy Packer, advisor to the Art Club for seven years, passed the job on to Miss Mary Linville this year.

The club's activities were launched early in the year with the initiation spread at Jeanne Eakins' home. At the turn of the semester the club accepted Vivian Mollett's resignation as president in favor of Carol Bercher, because she was unable to attend the regular meetings. Early in February the club went to a rug weaving lecture at the Commodore Perry Hotel.

A roast in April, a splash party in May, and the annual banquet at the end of the year rounded out the group's activities for 1948-1949.

The girls of the Home Economics Club meet every second and fourth Monday in room 303 after school. Any girl is eligible for membership provided either that she has an interest in home-making or that she has taken at least one year of Home Economics. To promote a growing appreciation of the joys and satisfactions of home-making is one of the many important purposes of this group. The girls are members of the State and National Future Homemakers known as the F.H.A.

Some of their activities for the year have included a party for the children in the Lutheran home on Seaman Street. Easter baskets were also made for the children. They made scrapbooks for the polio patients in the various hospitals. Barbara Bryan was the representative for the Lucas County meeting in the fall.

The Home Economics Club is under the advisorship of Miss Naomi Rehfeldt.

One of the newest organizations at school is the Morrison R. Waite Club of the Future Teachers of America. Our group is one chapter of a national organization which has chapters in all Toledo high schools as well as in the larger cities throughout the United States. At the name implies, the membership is composed of high school students who intend to go to college and take up teaching as a profession. Special attention is being given this group by experienced educators with the hope of increasing the membership of the teaching profession and the desire of having students realize that education is an acceptable profession.

At an impressive initiation program in the library on March 15, talks were given to the members by Mr. Conser, Mr. Klag, and Miss Griffith. The outstanding event of the year's activities was the visit to the University of Toledo on April 8 in order to study the offerings of the college of Education.

Mr. Milton Williams, advisor, has conscientiously attempted to carry on this work at Waite. We know that his patience and interest will be rewarded when his "future teachers" will take positions in school systems in Ohio and in other parts of the country.

"Flying W"

A varsity "W" is the reward for active participation in any sport at Waite and makes the owner eligible for membership in the Boys' "W" Club. This is a strictly honorary group which has no meetings or dues. The club, under the supervision of Coach Frank Pauly and Coach Claire Dunn, has two events annually, a roast and a wrestling show put on by the hygiene class.

The wrestling show was put on March 21 during second hour in a very fine program, as in other years, with the boys all grunting and groaning to win. The boys showed great sportsmanship towards each other during the entire show, and when it was all over they were friends again.

The annual roast was held in May and was the only time all the group was together during the year. This, too, was a success.

"Another Day, Another Dollar"

A comparatively new organization at Waite is the group known as the Future Retailers of Ohio. It is made up of the members of the distributive education class under the supervision of Mr. Richard L. Ahlf.

In addition to their regular class activities, members of the Future Retailers attended a convention at Bowling Green in the fall and one at Columbus during the winter. They also prepared short plays and talks to be presented before Miss Adams' salesmanship class.

A roast and hayride in the fall and a picnic in the spring were two of the social events on the calendar of the Future Retailers. An employers' banquet in May was a fitting climax to the year's activities.

Sale of business stationery with their own special letterhead to other branch clubs in the state raised funds for their activities. Mr. Ahlf has served well as a patient and understanding advisor.

This year, as in others, our Sizzle staff did another good job of keeping the school well informed about the happenings in our school life. The distribution day was changed from Friday to Wednesday. Hard work was put in by all writers in order to make the sports, club, editorial, and feature pages more interesting.

The busy year also included a banquet April 6, a convention at Bowling Green University April 30, a picnic in late spring.

"Angels of Mercy"

How much do you know about the Red Cross? Let's look for a minute into the many activities that are carried on by this group. Take, for instance, Miss Tobin's fifth hour group of girls. If you were to look in on them some afternoon, you would see these girls busy knitting squares for afghans, making stuffed animals and scrap books for day nurseries, or maybe you'd see some of them working on the favors which help to brighten many trays in the hospitals.

Regular meetings are held in the Toledo Chapter House, where all the schools meet and talk together about the Red Cross.

Many thanks are to be given to Miss Elenor Tobin for her help as advisor of the club.

"Strike up the Band"

The band is one of the busiest organizations at Waite. Proof of this statement is the fact that they have made a tour of the grade schools, played for the Merci Train, and entertained at the football banquet.

Last August they played for the Cleveland Browns and marched with the Musical Majorettes. In October they made a trip to Detroit to play for the Detroit Lions at one of the football games. They played at one of the Glass Bowl games at the University of Toledo.

The band went to Monroe to march in a parade and they also marched here in Toledo on Memorial Day. All this is in addition to their regular elaborate shows put on between halves at the football games. Hours of drill and practice with the material made by the art department make these shows a real attraction.

Much credit is to be given to Miss Cecile Vashaw for the success of the band.

"It's Harmony!...It's Harmony!"

The Hit Parade could be complete only with the seventy-five members of the Waite Choir. It has top billing throughout the city as being one of the best and is the largest group Waite has ever had.

If you are near the music room fifth hour, stop and listen. You'll say "They sound wonderful!" But wait, if the director would turn around for a minute, you would find that the choir is now under the direction of someone new. Yes! Mr. Eugene Evans, and it's evident that he has done a very good job, which has been proved by their numerous public appearances.

Their most important performances were singing over WTDS Radio Station, singing before the Band Parents' Association, the Christmas Program at Waite, and taking part in the annual Choral Festival held at the Toledo Art Museum, February 20. This program combined and beautifully blended together all the public high school choirs in the city.

This group of musically inclined girls meet every third hour in the music room.

The club enjoyed a very rustic roast at Ottawa Park on November 13. They also sponsored a Maypole Dance in the gymnasium on May 6. Forty girls, in white blouses and dark skirts, participated in the music festival in the spring.

If you happen to wander into the music room during practice, you will hear such songs as "Beautiful Saviour," "The Orchestra Song," and the favorite "Climbin' Up The Mountain."

Thanks are given to Mr. Eugene Evans, the director.

The Waite High School orchestra, under the direction of Miss Cecile Vashaw, is not a very large group, but it is a willing and competent group. Mostly string instruments make up the membership in the fall, but the second semester several members from the band add their wind and percussion instruments to make a more fully balanced musical organization. Their school performance included the National Honor Society induction program, the Peri program honoring Mothers of the basketball team, and the Junior class play.

"Say it with Music"

Row 2—Bill Steffen, Bob Steffen, Don Boening, Chuck O'Shea, Jim Kaser, Warren Harrington, Mr. Evans, Jim Faneuff, Paul Bower, Al Schultz, Don Koetz, Harry Myrice.

Boys' Chorus

The boys' chorus is a new musical group under the leadership of Mr. Eugene Evans. The group is still young and did not have many occasions to sing outside of school. However, they did sing at the Peristyle, February 20, and at a P.T.A. meeting in East Side Central School.

Students interested in developing skill on string instruments meet with Miss Vashaw fifth hour. They are interested in perfecting their ability to attain good tones and to play with greater ease and confidence.

CLEARVIEW	0	0	0	0	0

Before 7,500 spectators, the Waite Indians piled up a 69-0 score over Lorain Clearview for a good season's opener. Doug Thompson, substitute fullback for Steve Katich, led the touchdown parade with three tallies. Bob Bee was kept especially busy as he kicked eight out of nine points after touchdown.

WAITE	0	7	14	19	40
DeVILBISS	0	6	0	0	6

Ten thousand fans jammed Page stadium to watch the Tigers get swept out of the ball game in the second half after they had held Waite 7 to 6 in the first half. Waite's flashy backfield showed speed and skill and the Indian defense, led by Harrison, Timm, and Antoine, was too much for the Bengals to handle.

WAITE	0	2	0	14	16
LIBBEY	0	0	0	0	0

Waite's reputation as a good second half club held true as the Indians shut out Libbey 16 to 0 before some 10,000 fans in the Libbey stadium. Both squads blocked and tackled well, with the result that fumbles stopped drives for both teams on several occasions. Waite gained most of its yardage through its own right side with the help of Bedee, Jeschke, and Antoine.

WAITE	6	7	6	6	25
CENTRAL	0	7	0	0	7

Once again it was Waite's second half fireworks. Led by Bill Thomas, the Indians scored two touchdowns in the second half to come out on top of what started as a close ball game. Bill Jeschke and Ron Bedee were outstanding linemen.

A last minute pass from Katich to Nicholas provided the winning play as Waite defeated El Paso before 10,000 screaming fans. Waite led the first quarter 13-0 but by the third quarter the fighting Panthers had tied the score. Then Bob Owens cut loose with an eighty yard run which set up the winning touchdown.

WAITE	13	0	6	6	25
WOODWARD	0	6	0	0	6

The invasion of the East Side by a game bunch of Woodward Polar Bears was successfully repulsed by the defending Indians by a comfortable 25 to 6 score. Bob Owens' passes to Ken Fetzer provided the scoring in the first quarter for the Indians. Nicholas scored in the third period on a 45-yard run. He was hit on the 40 but remained on his feet to score. The last touchdown of the game was made by Steve Katich.

This game was played before some 8,000 fans in the Waite bowl, a thrilling game until fog blanketed the field in the fourth quarter. The Tigers provided a tougher scrap for the Indians than the first game, but failed to gain ground effectively.

WAITE	0	7	0	0	7
MASSILLON	13	6	0	0	19

Waite's victory string of nine straight games was halted by the Tigers of Massillon 19 to 7. Played in a sea of mud and much rain, the game was hard fought by both teams. Bill White, Chuck Harrison, and Doug Thompson were outstanding for Waite.

WAITE	0	0	0	0	0
LIBBEY	0	0	6	0	6

Libbey's Ted Majewski scored a third quarter touchdown to give the Cowboys a 6 to 0 win over the Indians. Only 178 yards were gained by both teams through rushing, as the lines were tough on defense. Joe Gall and Andy Contos showed class as they played the most of the game.

WAITE	0	6	7	0	13
SCOTT	0	0	0	0	0

At the close of the thirty-fifth annual Thanksgiving Day clash, Waite emerged victoriously from the Scott stadium, to win another city championship. Dave Bueschen played a very fine game as he did throughout the season and was placed on the all-city team along with Antoine, Bedee, and Harrison. The Indians ended the season with the good record of eight wins and two losses.

The teams in the lightweight league were evenly matched. No team finished without a defeat. The two top teams, Scott and Central, suffered one defeat and tie, while the remaining four teams, Waite, Woodward, Libbey, and DeVilbiss, finished in a tie with three defeats and two wins. These results were the closest in the history of the league.

Outstanding backfield players on this year's team were Jim Zieroff, Fred Abbeglen, Gus Kohn, and Eddie Turner. On the line were Jim Koroloff, Ronny Davis, Bill Musil, Bill Peters, Dick Young, and Neil Winebrenner.

These beginners all try hard and work enthusiastically, because they have visions of becoming future varsity stars. The coaches really have a job with these fellows, teaching them the fundamentals of football and getting them ready for future varsity competition.

Twenty letters were given out at the end of the season. Outstanding backs were Ted Eckhardt, Jerry Fralick, John Galyas, Dan Zunk, Mark McKenzie, and John Ahumada. Especially promising linemen were Andrew Pocsi, Duran Frumencio, Richard Ferguson, Bob Woolaver, and Bill Steffin. Keep the names of these fellows in mind. Starting out the season with wins over Deshler, Defiance, Gibsonburg, and Perrysburg, the team then lost three straight games to DeVilbiss, Scott, and Woodward before finding themselves and finishing third in city league competition, winning seven games and losing five.

This year's basketball squad was the best Waite has produced in many years, never losing a game by more than nine points.

In twenty-four games the team scored 1043 points to 957 for the opponents. The leading scorer was Ray Spencer with 289 points, followed by Stewart Petersen with 204 points. The remaining three men of the first five were Bob Horst, Harry Myrice, and Chuck O'Shea. Returning men for next year's varsity squad are Jack Griffin, Paul Spencer, Joe Romano, Ray Ritzenthaler, and Wayne Sheeley.

The coaches of the city schools chose Ray Spencer for the first team of the all-city selections, Bob Horst on the second team, and Stewart Petersen received honorable mention. Ray Spencer was also a member of the all-tournament team and received honorable mention in the state.

In the sectional tournament Waite went to the semi-finals defeating Woodward in a thrilling double overtime game by a score of 43 to 41, before being defeated by Central 44 to 53.

Coach Bill Fetters deserves much credit for turning out a basketball team that he can be proud to say he coached.

Coach George Konnert seemed to have tough luck in the '48-'49 season, for his lightweight squad won only six games and lost twelve. The fellows tried but couldn't seem to make the grade. Regular practice couldn't be started until the football season was over because several of the squad were on the lightweight football team. Inexperience was also a handicap for three of the squad are Freshmen.

High point men for the season were Fred Abbeglen, Jim Zieroff, and Wayne Sheeley. Other regular players were Ray Gunner, Dan Zunk, Ronnie Davis, Bill Heber, Melvin Fallon, and Jim Koroloff. We hope that next season Coach Konnert will be more successful.

The Freshman cagers claimed the city championship with eleven wins and three losses. The three losses were narrow margins to Libbey, Central, and Woodward. They defeated every team in the city at least once. High point men were Don Willard and Ronald Keaton, who, along with Dick Ferguson, Sam Schaeffer, John Galyas, Ted Eckardt, will supply fine material for the future varsity. Coach Dan Marazon worked hard and long with these boys, and did a very fine job as his record shows.

Our 1948 Cross Country team became city champions, defeating all city competition by large margins. In their first meet, Waite defeated Libbey by a score of 20 to 39, a good beginning that was continued throughout the season.

Out of the 131 boys who ran in the district meet, Waite was able to place all their runners in the first forty to end the tedious run. By doing this, Waite captured the district championship.

The lettermen for '48 were Al DeArmond, who was the pace-maker for the team, Matthew Stewart, Stewart Petersen, Harry Myrice, Johnson Thomas, Chuck O'Shea, and Ray Spencer. Coach Bill Fetters has every right to be proud of his squad of fine runners.

The 1948 Waite track team finished fourth in league competition, eighth in the DeVilbiss Relays, fourth in the city meet, and eighth in the District Meet. The 880-yard relay team, composed of John Nicholas, Larry Lincoln, Doug Thompson, and Walter Jones, qualified for the State Meet. Lyle Myrice and Dan Seemann led in points for the season's total with 61 and 58, respectively, getting most of the points in the field events. Dick Vergiels, who tied for first place in the pole vault in the city meet, finished with 34 points. Chuck O'Shea, hurdler, finished with 38 points and John Nicholas had 36 points, along with these point-getters, Bill Morse, Doug Thompson, Lee Cypher, Bob Businger, Bob Fisher, Walter Jones, Harry Myrice, and Ray Spencer.

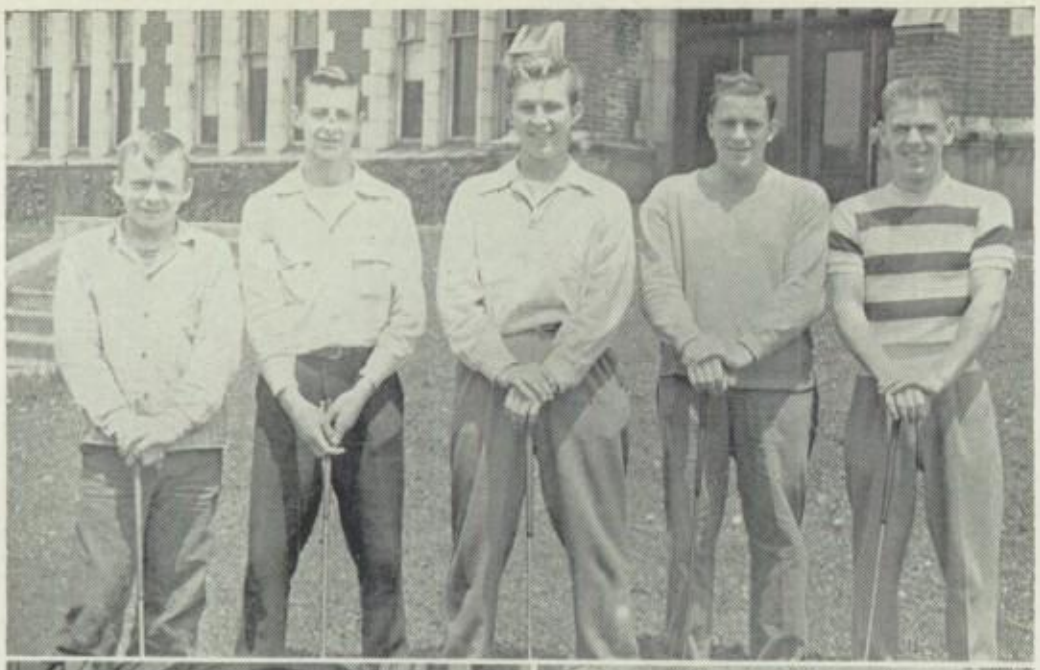
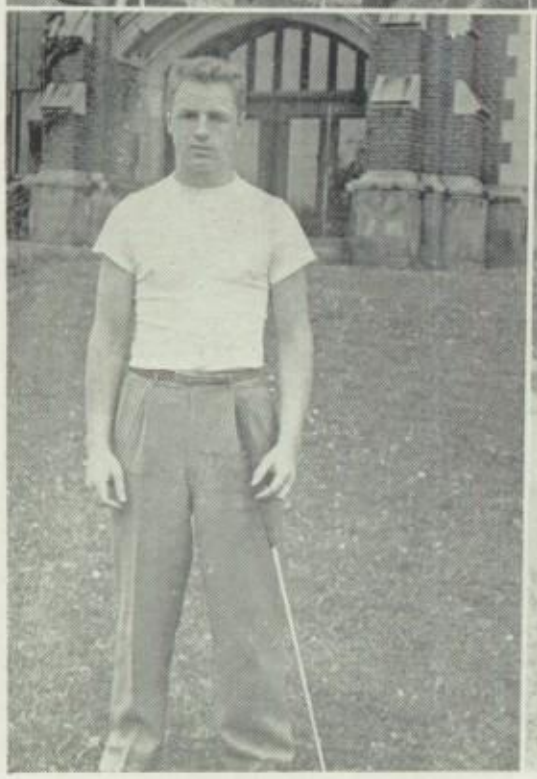
Completing a very successful '48 season, the baseball team coached by Steve Rohlfing won seven of twelve games to take third place in the city league. The team also won a trophy for being runner-up in the district tournament. Outstanding players of the year were Bob Carson, Andy Molnar, Lee Kramer, Jim Lippert, and Bob Yenrick.





Golf

The golf team, coached by Melvin Stocks, ended the year with a record of three wins over Woodward, Macomber, and Scott, and three losses to Libbey, Central, and DeVilbiss. Larry Musil, Bob Voss, Gage Mersereau, and Bud Drozik added greatly to the team average to complete a comparatively successful season.

Tennis

Although the tennis team tried, they did not complete a very successful season, finishing in last place in city league competition. Coach Pauly reported that a poor response is the cause of the poor showing the Waite team made. We hope that in the spring of '49 more fellows will go out for tennis and that Waite will have a better showing in the city league.

Waite High's National League Bowling Team finished the season of seventeen weeks play in second place. Waite also had a team that finished sixth in the American League. The National team competed in the National Bowling Tournament and came out in third place. High bowlers for the National team were Jim Houston, with a 164 average; Chuck O'Shea, with a 157 average; Don Magly, with a 158 average; and Tom Carnicom, with a 152 average. The American team high bowlers were Bill Clifton, Dick Cox, and Don Dyer. Mr. Claire Dunn supervised the boys.

"A Friend of Yours"

We, here at Waite High School, could never begin to pay adequate tribute to our principal, Mr. Philip H. Conser, for the fine job of keeping our school running as smoothly as he has for the past twenty years. During the course of these years, he has given help to students and faculty alike. He has made it possible for worthy students to obtain scholarships for colleges and has given recommendation for other students to obtain jobs. He has done splendid work in keeping our school standards as high as other high schools. We are lucky to have such a grand principal and great friend.

The problems of the girls at Waite are handled with care and helpful guidance by Dean Marguerite Griffith. In addition to taking care of attendance, Miss Griffith gives advice to those who need her help and assists in obtaining jobs for some of the girls. Quiet and efficient in her work, Miss Griffith is a valuable person in our everyday school life.

If a fellow has a problem which he can not solve himself, or if he is in need of any kind of assistance, he takes his worries to Mr. Fred Klag, Dean of Boys, who, after being at Waite since 1914, is an old hand at giving helpful advice. He has the task of taking care of boys' truancies, their discipline problems, and locating jobs.

"Efficiency"

Everyone knows that a first impression is very important. Visitors, students, and faculty at Waite receive a very good impression when they go to our office and are greeted by the congenial and co-operative office force. These ladies find time to become a friend to everyone in addition to doing their work efficiently.

Mrs. June Wintermantel has charge of scholastic records and requirements, particularly for the Seniors, and also serves as Mr. Conser's secretary. She is willing to help any student who needs assistance in checking up on his units and credits.

Mrs. Ruth Brenneman is the official school treasurer. It is her task of handling all money, paying all bills, keeping the books for the school and all the activities that makes her a valuable person in the office.

Mrs. Nina Trask is in charge of withdrawals and entries and attendance statistics. She also keeps records of student class standings. The faculty payroll is an additional part of her work.

Mrs. Eva Taylor is in charge of the bookroom. She keeps the records of all books handed out to students, both the regular texts and the supplementary reading material. Mrs. Taylor also assists the deans with excuses and attendance problems.

We at Waite feel sure that no other school in Toledo is as fortunate as we are in having such a pleasant staff of workers in the office.

What's Tomorrow Like?

Tomorrow is the day after graduation. What will it be like?

Tomorrow can be a friendly place—a bright attractive office where you'll find old friends and make new ones. Tomorrow can be interesting, important work, good pay and a chance to advance.

Tomorrow can be a pleasant, profitable Telephone Job—IF you can measure up to the fine standards of communications work.

It is given to only a few to use their life span to benefit all generations to come after them . . . Such was the gift of Thomas Alva Edison, pioneer in applying electricity to better the lot of mankind.

ONLY a holder of the original Edison license may use the name "Edison" as part of its corporate title. It is the mark of a pioneer. The Toledo Edison Company, a business-managed, tax-paying, self-supporting electric power company, is proud to be so honored.

*THEY SEE EVERY PLAY - - THROUGH THERMOPANE!**

Thermopane insulating glass—two or more panes with a sealed air space between—serves thousands of home owners in Picture Windows and other sash. Recently, more and more schools have specified *Thermopane* units for press boxes in stadiums.

Since *Thermopane* minimizes frost and condensation, games get better press coverage because reporters can see every play even in crisp cold weather. A *Thermopane*-enclosed press box also is quieter for sportswriters covering a game.

Thermopane is readily available for all types of glazing. If more information is desired, write for your copy of our *Thermopane* book. Libbey-Owens-Ford Glass Company, HS89 Nicholas Building, Toledo 3, Ohio. *(R)
